Welcome to

Thinkwiser High Manpower Int.

Welcome to Thinkwiser where we work with leading organizations across the international spectrum with clients in private, public, and social sectors. Currently, we are covering Saudi Arabia, United Arab Emirates, Qatar , Bahrain , Oman , Malaysia and Japan.

Are You Looking For Talent ?

If you are looking for Qualified, well-equipped, professional, and top-tier Pakistani talent, then Thinkwiser is the right choice.

You can rest assured that you have come to the best place. Because our service is our pride.

Who We Are

We work with leading organizations across the international spectrum

We work with leading organizations across the international spectrum with clients in private, public and social sectors. Our scale, scope, and knowledge allow us to address recruitment challenges like no one else can. We have deep functional and industry expertise as well as breadth of geographical reach. We are passionate about taking on immense challenges that matter to our clients and, often, to the world.

We work with our clients as we do with our colleagues. We build their capabilities and leadership skills at every level and every opportunity. We do this to help build internal support, get to real issues, and reach practical recommendations. We bring out the capabilities of clients to fully participate in the process and lead the ongoing work.

Working with our clients on their most challenging issues requires deep industry and functional expertise. We invest significant time and effort in developing and renewing a knowledge base that offers unique perspectives and insights to our clients.

Mission Statement

For our clients

To be the GO-TO International Recruitment and HR Business Partners of our clients for furnishing all their Recruitment needs and drives with qualified and trained Pakistani workforce. To be reliable, cost-worthy, efficient, and effective in our initiatives. Most importantly, placing candidates who are not only a great fit technically but importantly culturally to our client's environment.

For our Talent

To lead our prospective candidates towards excellence, recognize achievement, and provide opportunities to develop their careers while promoting best practices & maintaining the industry's highest standards and integrity.

Why Thinkwiser High Manpower International

- Leading Player in International Recruitment & Staffing Services for Pakistani Talent. Always matching top talent with opportunities matching both their professional and personal goals. Providing services with honesty, integrity and full dedication.

We Strive for World Shaping Client Impact:

We work with leading organizations across the private, public and social sectors. Our scale, scope, and knowledge allow us to address problems that no one else can. We have deep functional and industry expertise as well as a breadth of geographical reach. We are passionate about taking on immense challenges that matter to our clients and, often, to the world. We work with our clients as we do with our colleagues. We build their capabilities and leadership skills at every level and every opportunity. We do this to help build internal support, get to real issues, and reach practical recommendations. We bring out the capabilities of clients to fully participate in the process and lead the ongoing work. Working with our clients on their most challenging issues requires deep industry and functional expertise. Reasons to go for Pakistani Manpower?

Organizations, with experience in working with Pakistani workers, appreciate the following features of Pakistan.

Potential in Pakistani Manpower

Physically, Pakistani Laborers are Taller, stronger, and more Active. Intellectually they are sharp and intelligent. Morally, they are honest, responsible, and hardworking. Pakistani workforce is easily adaptable to new cultures, very trainable, and believes in serving in the best interest of their employers. They are very hands-on and committed to their projects.

BEOE?

Bureau of Emigration & Overseas Employment is playing a vital role in reducing the pressure of unemployment at home, besides being a major means of earning foreign exchange in the shape of overseas workers' remittances. Overseas employment is thus, serving as the mainstay of the national economy, by providing much-needed financial outlay for debt servicing, imports bill, alleviation of poverty, development projects, and economic activities. Bureau, being a regulatory body, controls, regulates, facilitates, and monitors the emigration process followed by the Overseas Employment Promoters (OEPs), in the private sector, besides 'direct employment', the model adopted by the individuals, to seek foreign employment either through their own efforts or relatives and friends living abroad.

The foremost task of the Bureau of Emigration and Overseas Employment encompasses the collection, compilation, and tabulation of emigration data of all those Pakistanis who proceed abroad for employment purposes. In fact, the Bureau has been engaged in maintaining a comprehensive statistical record of all the migrant workers since 1971, which provides the basis for planning and policy formulation by the Economic Division and other interested government departments.

BEOE;

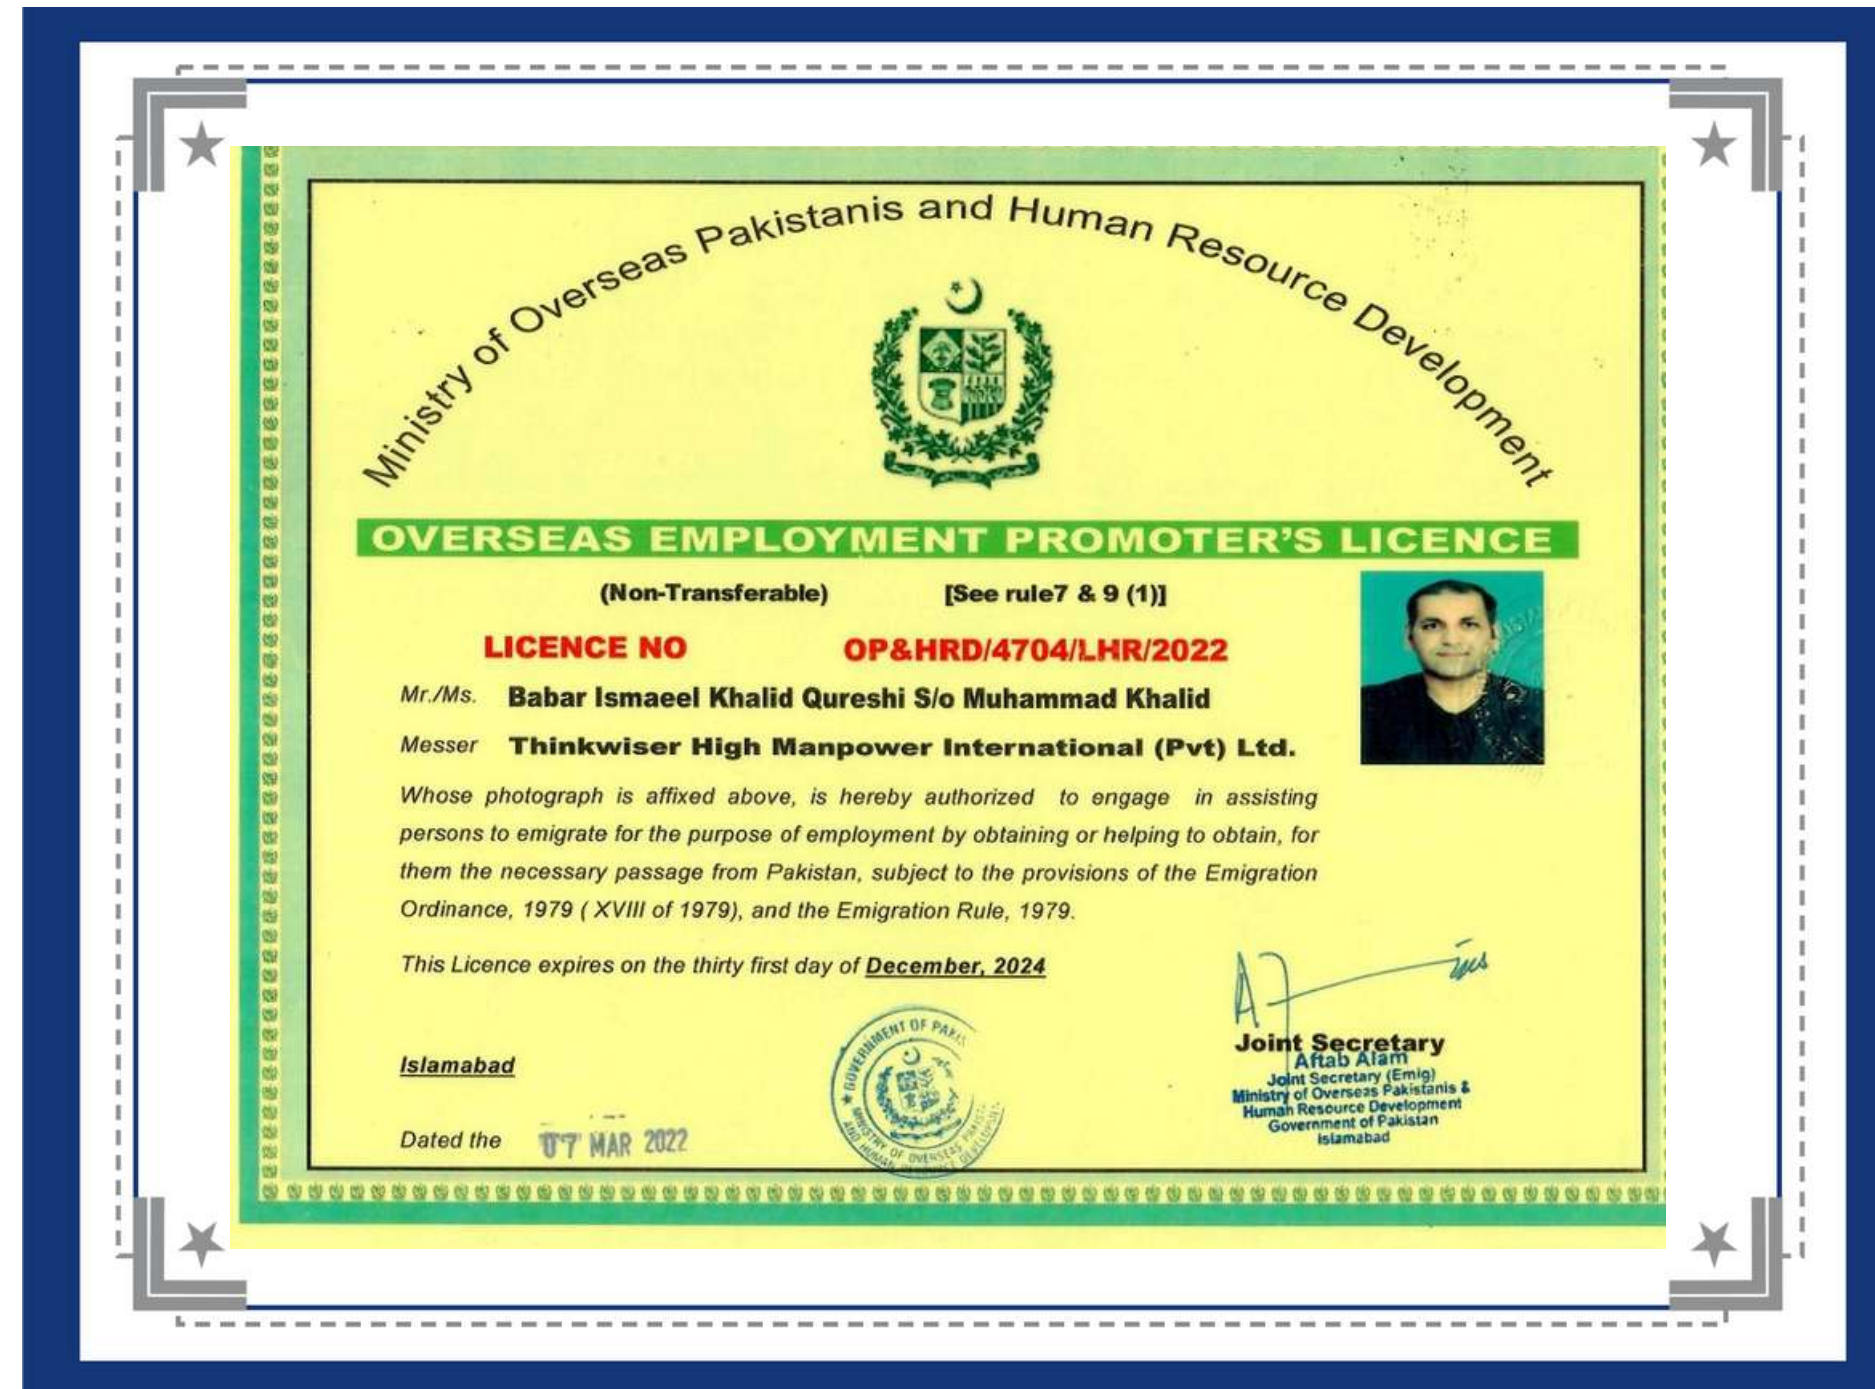

BEOE & Modes of Employment?

Pakistani Emigrants proceed abroad through licensed Overseas Employment promoters as well as on Direct Employment Visa. Direct Employment visa is acquired by overseas job seekers either by their own efforts or through their relatives / friends already working / residing in host countries.

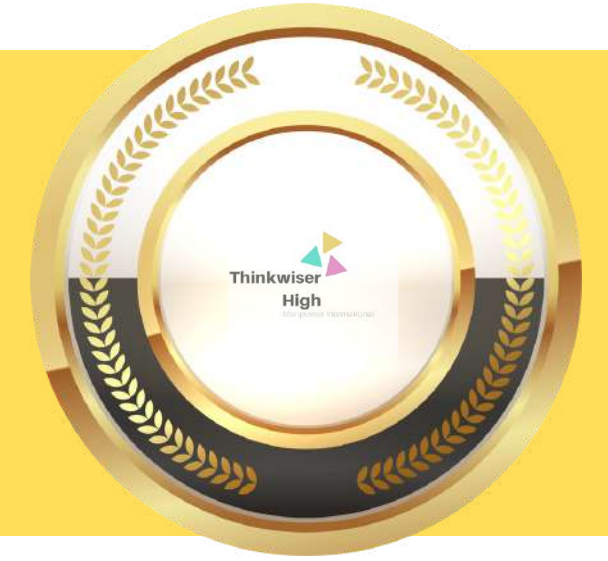

Every emigrant is registered with the respective Protector of Emigrant after deposit of Government fee with provision of required documents.
